- Keeping a supply of marketing and legal documents, and issuing the said;
- Forwarding or providing access to legally required publications and other publications;
- Performing due diligence delegated by the Managers in areas such as money laundering, ascertaining client needs and distribution restrictions;
- Mandating an authorized auditor to check compliance with certain duties of the Distributor, in particular with the Guidelines on the Distribution of Collective Investment Schemes issued by the Asset Management Association Switzerland AMAS;
- Operating and maintaining an electronic distribution and/or information platform;
- Clarifying and answering specific questions from investors pertaining to the investment product or the Managers or the sub-investment managers;
- Drawing up fund research material;
- Central relationship management;
- Subscribing Units as a "nominee" for several clients as mandated by the Managers;
- Training client advisors in collective investment schemes;

Retrocessions are not deemed to be rebates even if they are ultimately passed on, in full or in part, to the investors.

Disclosure of the receipt of retrocessions is based on the applicable provisions of FinSA.

Rebates:

In the case of distribution activity in Switzerland, the Managers and its agents may, upon request, pay rebates directly to investors. The purpose of rebates is to reduce the fees or costs incurred by the Investor in question. Rebates are permitted provided that:

- they are paid from fees received by the Managers and therefore do not represent an additional charge on the fund assets;

- they are granted on the basis of objective criteria;
- all investors who meet these objective criteria and demand rebates are also granted these within the same timeframe and to the same extent.

The objective criteria for the granting of rebates by the Managers are:

- the volume subscribed by the investor or the total volume they hold in the collective investment scheme or, where applicable, in the product range of the promoter;
- the amount of the fees generated by the investor;
- the investor's willingness to provide support in the launch phase of a collective investment scheme.

At the request of the investor, the Managers must disclose the amounts of such rebates free of charge.
